

Cylindrical Mount

# ECO-SERIES PUFFER B

**Properties**

- shock-isolating buffers with female thread and threaded stud
- extremely versatile supports used in a wide range of applications
- quick and easy assembly
- in many cases makes up for the missing measures of the premium series

**Applications**

- elastic fixation and shock-isolating mounting of small to midsize equipment units such as electric motors, internal combustion engines, compressors, pumps, measuring devices, switchboards, control panels, instruments generally

**Code - 2MF...**  
**Material - Rubber/Metal**  
**Hardness - 40 ÷ 65 shore A**
